<b>Project:</b>	

The safety of our tenants and contractors is of utmost important to us and thus we insist for the following provisions to be followed;

1. Any of your team or workers will not come on site and should contact public health should they display any of the following symptoms or reside with someone displaying the following symptoms;
  - Fever/feverish
  - Headache
  - New or existing cough
  - Sore Throat
  - Difficulty breathing?
2. Any of your team or workers will not come on site should they have traveled out of country in the past 14 days.
3. Contractor must notify OAHS should any workers not be able to come on site due to the above listed reasons.
4. Social/Physical distancing must be practiced at all times (where safe to do so) during the working period and especially regarding tenant interactions. Direct interaction should be avoided if possible and where absolutely necessary, tenant interaction will be completed at a distance of no less than 2 meters.
5. Should a worker/contractor need to enter a tenant unit;
  - a. OAHS must be notified as 24 Hours must be provided to the tenant
  - b. Both worker and tenant must answer and pass the above screening questions (item #1 & 2)
6. We agree to the COVID-19 Terms and Conditions available at:  
<https://www.ontarioaboriginalhousing.ca/resources/vendor-portal>
