Question #7 How did you hear about the OPHI Ontario Renovates Homeowner Repair program?

Question #8 Are there special circumstances that should be considered by OAHS? If yes, please describe:

Please initial each section below once you have read the provided information regarding OAHS Programs Terms:

The OPHI Ontario Renovates Homeowner Repair Program will assist low to moderate income Indigenous off reserve homeowners in repairing their homes, to bring them to an acceptable Health and Safety standard. Applicants that have appointed a Power of Attorney or have been appointed a Guardian/Trustee of their personal finances and assets in accordance with the Substitute Decisions Act, 1992, may be eligible if all other eligibility criteria are met. Appropriate documentation may be requested, along with witness signature. Eligible repairs and total funding amount (typically up to \$25,000) will be determined on a case-by-case basis, prioritizing health and safety repairs. OAHS has discretion to increase funding to recipients based on extreme emergency health and safety needs and availability of funding, to a maximum of \$50,000.

Loan Forgiveness:

Forgiveness of the loan will be earned by the homeowner(s) over a period of 10 years. To earn forgiveness, Applicants must maintain continued ownership and occupancy of the dwelling and adhere to all other terms and conditions of the program.

Eligibility Criteria:

- Primary Applicant must be an Indigenous person who is First Nations (Status or Non-Status), Métis, or Inuit (eligible through self-declaration). The repair property must be the Primary Applicants sole and primary residence.
- The market value of your home must be at or below the average market selling price for your community as determined annually by CMHC (see attached chart)
- Repair assistance must be applied to the sole and principal residence of the Applicant(s).
- The home must be off-reserve and outside of the Greater Toronto Area.
- Your total household income is below the program's (60th percentile) established guideline for your family (see attached income chart)
- **You must have no outstanding property tax, municipal water, or mortgage arrears on the property. If in arrears, OAHS will request proof of a payment plan that is up to date. Program Funding is conditional upon there being only one mortgage on title. Funding may not be approved if a title search reveals more than one acceptable mortgage or lien. Other encumbrances on title or on a credit bureau search may not qualify the applicant.**
- You must have insurance coverage for the full replacement value of the building at time of application and for the duration of the forgivable loan.

OAHS will enter into an agreement with each successful Indigenous household prior to advancing funds and will ensure that the terms of the agreement include a covenant by the Indigenous household to repay all of the advanced funds to OAHS if the terms of the agreement are not met by the Indigenous household within ten (10) years of the date of repair completion. This **agreement will be registered as a Charge/Mortgage against the title to your property until such time as your commitment under the agreement has been fulfilled. This represents our mutual security in the case of default of the terms of the loan.**

If successful, OAHS is responsible for project selection, monitoring progress, and for the advancement of funds. All applicants who give personal information to OAHS shall be required to consent to the release of that information to Ministry of Municipal Affairs and Housing (MMAH) in order to comply with the Personal Information Protection and Electronic Documents Act (PIPEDA) and Freedom of Information and Protection of Privacy Act (FIPPA). The information provided on this application will be used for the purpose of determining eligibility and potential successful selection for the OPHI Homeowner Repair Program.
