

Home Ownership Program Frequently Asked Questions

Please consult the Program Guidelines and Application form for complete details.

- 1. What is the OPHI Homeownership Program?**
 - A. The Ontario Priorities Housing Initiative (OPHI) Homeownership Program aims to assist low to moderate income off-reserve Indigenous **renter OR first-time buyer** households to purchase affordable homes by providing down payment and closing cost assistance.

- 2. What type of assistance is provided?**
 - A. Funding is provided as a down payment and closing cost assistance in the form of a forgivable loan for eligible purchasers. Assistance is forgiven in full after 20 years (please see below for terms of forgiveness). The program's preference is to provide funding completely toward down payment, however if the applicant would like to use some funding towards closing costs, this can be discussed further with the program's coordinator at the time of offer.

- 3. What expenditures are eligible for the forgivable loan?**
 - A. The OPHI Homeownership Program provides **a maximum loan of up to 10% of purchase price** for down payment and closing cost assistance. The amount of funding approved will depend on the purchase price of the property.

- 4. How many households are OAHSS expected to help?**
 - A. The OPHI Homeownership Program is targeting at least 20 households in 2025.

- 5. Is there a waiting list?**
 - A. Yes, there is currently a wait list. Eligible applicants are added on a first come, first served basis, with priority applicants being reviewed for funding first. If your application is not approved during a particular round of funding, your file remains on the waiting list and must be updated annually. It is your responsibility as the applicant to update your application each year. If your application is not updated within 2 years, your application will be cancelled, and you will be required to reapply.

- 6. When does the program end?**
 - A. OPHI Homeownership Program is a program with limited annual funding. Approvals will be granted per fiscal year until maximum annual funding is reached. This program is tentatively renewed for the 2025/2026 fiscal year and funding is at the discretion and approval of the Ministry of Municipal Affairs and Housing. Further allocations will be reviewed annually.

- 7. Does the program pay for closing costs, including inspections and appraisals?**
 - A. Yes, if you notify the program coordinator that you would like to use a portion of the funding towards closing costs, a portion of the funding can be applied to closing costs such as:
 - Legal costs
 - Land transfer costs
 - Home building inspection/approval
 - Costs associated with testing of water and septic systems
 - Building Appraisal Report
 - Titles Insurance

8. What is the maximum house price that can be purchased under this program?

- A. House prices cannot exceed the average market value for houses in your city or region as outlined in Appendix B of the application.

****Please note these figures are updated annually by the Ministry of Municipal Affairs and Housing (MMAH). The most recent figures will be posted in the back of the application package and on the OAHS website.***

9. What types of units are eligible?

- A. Resale or new homes are eligible units under the Homeownership Component. These include:
- Detached homes
 - Semi-Detached
 - Condominiums (town house or apartment)
 - Row Houses
 - Mobile homes on which the land will also be owned by you

Home inspections by a licensed Home Inspector will be required of all homes that have a signed Agreement of Purchase and Sale.

10. Am I eligible?

- A. Eligible applicants to the program are self-identifying Indigenous people who are looking to purchase their sole and primary residence off-reserve, outside of the Greater Toronto Area (GTA) in Ontario. Applicants that identify as First Nations, Métis, or Inuit are eligible through self-declaration. To be eligible, the primary applicant must:
- i. Self-identify as an Indigenous individual residing in Ontario
 - ii. Hold Canadian citizenship (provide proof of citizenship with application)
 - iii. Be 18 years of age or older
 - iv. Have a total gross household income which does not exceed the 2024 60th income percentile (single person) or the 2024 70th income percentile (2 or more household members)
 - v. Be able to qualify for and obtain a conventional mortgage or line of credit
 - vi. Be applying for a sole and primary residence
 - vii. Be a First Time Homebuyer. You or your partner cannot own a home or have any interest in other real estate.
 - viii. Be a renter in Canada (home purchase must be made in Ontario, outside of the GTA and be off reserve). Proof of rent will be requested; the applicant must show proof their account is current with no arrears.

Priority will be given to families/individuals escaping situations of violence, currently residing in social or affordable housing, or renters losing their home due to landlord sale of property.

All applications are subject to approval by Ontario Aboriginal Housing Services (OAHS), and we reserve the right to reject an application in whole or part at our sole discretion.

11. What is the maximum household income level?

- A. To be eligible, the applicant's Combined Gross Household Income cannot exceed the 2024 60th or 70th income percentile (please see the question below and Appendix C in the Application)

****Please note these figures will be updated annually by MMAH. The most recent figures will be posted in the back of the application package and on the OAHS website.***

12. What if I live in the GTA?

- A. If you are looking to purchase in the GTA, please contact Miziwe Biik Development Corporation (MBDC) who administers funds in the GTA. Applicants living in the GTA may apply to our program but MUST purchase outside of the GTA.

13. What does "Self-Identify" as an Indigenous person mean in the application?

- A. Self-identifying as an Indigenous person means that you do not necessarily carry a Status, Métis or Inuit card, but you do consider yourself an Indigenous person. Our program does not require you to show us any proof of this. The primary applicant on the application **must** self-identify as an Indigenous person and be a registered owner, if approved.

14. I identify as an Indigenous person, but my partner does not. Do we qualify?

- A. If you identify as an Indigenous person, then your partner does not need to identify as an Indigenous person. You will list your name as the Primary Applicant on the application, and your partner will be the Co-applicant. A Co-applicant on the application must be someone who will be registered on title and will be residing in the purchased home. **Please do not add a co-applicant if they will not be registered on title or residing in the home as this would classify as a co-signer, which is not permitted under program guidelines.** If your partner/spouse will not be listed on title, they can be listed as a household member on the application. Please contact OAHS for more information regarding loan repayment should the Indigenous person vacate the purchased property.

15. My spouse/partner is not going to be on the mortgage or on title to the home, but will be living there, will they have to sign any funding documents?

- A. Yes, as a consenting spouse, they will have to consent to adding the funding to the title of the property. For any questions, please reach out directly to OAHS.

16. Is the loan forgivable?

- A. If you maintain the purchased property as your sole and primary residence for the period of 20 years, and you maintain valid property insurance, the loan will be forgiven in its entirety on the 20th anniversary. Traditional interest will not be charged with this assistance. Forgiveness is not earned at a percentage per year as in past programs.

17. Will a Mortgage be registered on my title?

- A. This agreement will be registered as a Mortgage against the title to your property until at such a time as your commitment under the agreement has been fulfilled. This represents our mutual security in the case of default of the terms of the loan.

18. When I purchase a home using OPHI funding, do I need to have home insurance?

- A. Yes, as a condition of your loan, you must have valid home insurance on the property for the duration of the OPHI funding period (20 years). OAHS may request proof of insurance annually.

19. What if I decide to sell within 20 years?

- A. Events of Payment (per the signed Secured Promissory Note), Repayment of the original funding contribution must be made if the following situations occur while the OPHI Homeownership loan is outstanding:

- The unit is sold or leased.
- The unit is no longer the sole and principal residence of the loan recipient.
- The loan recipient becomes bankrupt or insolvent.
- The loan recipient misrepresented their eligibility for the program.
- The loan recipient used the proceeds of the loan for a purpose other than the acquisition of the unit.
- The death of the loan recipient.

Traditional interest will not be charged on the assistance. The original loan amount and the percentage share of the realized capital gains proportionate to the down payment assistance must be repaid in the above cases. For example, if the purchaser was assisted with five percent of the purchase price, the loan amount plus five percent of any capital gains/appreciation would have to be repaid. Only the principal amount would have to be repaid in the event of the death of a homeowner prior to the expiry of the affordability period.

If a unit is sold for less than the original purchase price, the difference between the down payment assistance and the depreciated amount will be repayable.

- Amount payable = Loan – (original purchase price – resale price)

For example, if the down payment assistance was \$10,000 for a home originally purchased at \$100,000 and then sold for \$92,000:

- Amount payable = \$10,000 - (\$100,000 - \$92,000) = \$2,000
- If the same home is sold for \$85,000, the principal shall be forgiven.

OAHS must be satisfied that the sale was at fair market value.

- B. If a purchaser chooses to repay the down payment assistance without selling the home within the affordability period, the purchaser is still required to repay the proportionate percentage of any notional capital gain* as of the date of repayment.

****Notional capital gains will be calculated based on the current fair market value of the home at the time of repayment of the loan. Fair market value shall be based on an independent appraisal acceptable to OAHS. The cost of an appraisal by a qualified Appraiser is the responsibility of the homeowner.***

For more information, please contact our Titles Department at 1-866-391-1061 Ext. 231.

20. What do I need to do when refinancing at my bank?

- A. If you are looking to refinance your first mortgage or you plan to further encumber your property with a third mortgage, you must provide OAHS with the details of the financing. In the case of a refinance, your bank/lender will ask OAHS for a postponement of our mortgage interest. Postponements are not automatically authorized; consideration needs to be given to the overall secured loan-to-value, and they are subject to fees payable by the client at the time of approval.

21. Are co-signers acceptable under program guidelines?

A. Under program guidelines, co-signors are not permitted; however, guarantors are acceptable.

22. Where can I find information on the home buying process?

A. For tools and information to assist with your home buying journey, please Visit:
<https://www.cmhc-schl.gc.ca/en/buying>

23. I previously received funding to purchase my home or repair my home. Do I qualify to apply to the OPHI Ontario Renovates Home Repair Program?

A. Under OPHI guidelines, stacking program funding is permitted. Applications will be reviewed for eligibility under OPHI Ontario Renovates Home Repair Program guidelines. Repairs should be considered an emergency need or health and safety issue.

24. How do I apply for the OPHI Homeownership Program?

A. Complete the OPHI Homeownership Program application package, attach supporting documentation requested in the application checklist, and email to:
ophi@oahssc.ca

25. Who is my personal contact at OAHS to assist with my application?

For the OPHI Homeownership Program, please contact: Toll-free
1-866-391-1061 ext. 816
Email: ophi@oahssc.ca
